S. B. Lemons, Cigarmaker, living at 1311 Ashley street, Tacoma, Fla., says: "I used Doan's Kidney Pills and they cured me of backache and disorder of the kidneys. Two or three times on account of the pain in my back 1 was unable to go to work for several days. The secretions of the kidneys were in very bad condition, dark in color and if allowed to stand would become of the consistency of jelly. I tried various remedies, taking what seemed like gallons of medicine and I also put on plasters, but nothing helped me until I got Doan's Kidney Pills upon the advice of a friend of mine, and using them according to directions they cured me in a very short time."
